TENSION SUSPENSION SPRINGING IS
THE REASON FOR THE AMAZING
COMFORT OF

PARKER KNOLL CHAIRS

No wonder Parker Knoll is the best selling chair in England and Australia . . . it is the most comfortable chair ever made. Words can never amply describe the delightful relaxation you experience when you sit in a Parker Knoll, but the reason for this amazing comfort is Tension Suspension springing. Above you will see a Parker Knoll without the upholstery to show these special, fabric-covered springs—made from super-toughened steel of untiring resilience. They are England's best fabric-covered springs, and they are the whole secret of the remarkable comfort of Parker Knoll chairs. Eighteen delightful designs, as illustrated, are available . . . a design for every room . . . for everyone who appreciates comfort.
